To Do Check List

☐ Take a look at the HE 520 Glossary under the **Glossary link**; you'll return to this from time to time during your stay in this course.

☐ Read the content in the **Readings** link carefully as it provides some guiding questions to help you focus on the key concepts.

☐ Participate in the live **Seminar**. This is not a graded activity, but it will be an opportunity to explore this unit’s concepts in more depth, and you are encouraged to participate.

☐ Complete the assignment **Scenario Analysis Paper**.

☐ Read the information under the link **Looking Ahead** for a preview of the next unit.
